

United Academy Scholarship Application Process

The Fauquier County Soccer Club has appropriated monies for players who, for various reasons are unable meet all of their Club fee obligations. It is the aim of FCSC to see that anyone having the skills and desire to participate in the United Academy Program is able to do so.

In partnership with Fauquier County Parks and Recreation, there is a two step process for applying for financial aid, for county residents. The current award provided by Parks & Recreation for qualified applicants is \$150.00. You will automatically qualify for a FCSC award if you are a recipient of a Fauquier Parks and Recreational Scholarship. Our resources are limited, and financial awards will be equitable, based on the number of members requiring assistance.

Families requesting financial aid must first complete a Fauquier County Parks and Recreation Scholarship Request, by following the link below or clicking the forms link in the FCSC website. Instructions for completing that form are contained herein:

http://www.fauquiercounty.gov/forms/departments/parksRec/pdf/Voucher_Request_Instructs.pdf

Families awarded a Parks and Recreation Scholarship automatically qualify for additional aid from FCSC. Sections A and C of the United Academy Scholarship Request Form should be completed and turned in to the head coach or staff member. No other documentation is required. The United Academy scholarship request form can be found in the forms link in the FCSC website: [Click here:](#)

<http://www.fcsc.org/docs/FCSCScholarshipRequestFormEmail.pdf>

Non-Fauquier County residents or those denied a scholarship from Parks and Recreation will still be considered for financial assistance on a case by case basis. All sections, A, B and C of the United Travel Scholarship Request form must be completed and returned to the chairperson of the United Academy Committee. <mailto:cookeual@aol.com>. The FCSC scholarship committee may request additional financial documents in the process of making a determination. Any financial information provided will be kept strictly confidential.

All families receiving financial aid agree to provide a **minimum of 5 hours of volunteer time** per season for club activities, as consideration for any assistance provided.
