The Fauquier County Soccer Club (FCSC) upgraded its adult soccer program in the 2006-2007 seasons and renamed this important program the Fauquier Soccer League (FSL). The FSL currently operates a single Division – focused on providing opportunities for players in a broad spectrum of age groups and skill levels. Each team is able to register up to three players in the 19-24 years age group, and there is no upper limit on age. This will provide an opportunity for “seasoned” and younger players both to field competitive teams.

Players are encouraged to assemble their own teams. Individuals should register at the Fauquier County Soccer Club’s web site as soon as possible. A complete set of rules is posted on the FCSC web site. Standings will be kept on FCSC’s web site and playoff games will be held at the end of the season to crown the champion. If the championship game is not played, the regular season point leader is automatic champion.

If you are interested in participating in this league, please go to the FCSC web site today and register or contact the league administrator.

Mission and Background

FCSC established an adult recreation program in the spring of 2005 in response to a growing need for soccer opportunities for adults. In recognition of the large number of competitive adult soccer players in the Piedmont Region, the Fauquier Soccer League (FSL) was established in the fall of 2006 as a competitive adult soccer league for the adults of Fauquier County and the surrounding counties. Our goal is to provide a friendly, competitive playing opportunity for adult soccer players in a family friendly atmosphere that encourages family support. The FSL adult soccer league will generally follow the rules of FIFA/USSF except as modified and listed below.

League Organization

The league will be registered and sanctioned by the Metropolitan D.C. - Virginia Soccer Association (MDCVSA) in conjunction with the U.S. Adult Soccer Association (USASA).

The FSL commissioner, appointed by the FCSC Adult Soccer Chairman, will be responsible for all aspects associated with running this league.

Every team will have a team manager. It is the responsibility of the team manager to make sure his team is properly registered and that the team's players fully understand the rules and regulations of the FSL.

Season Dates

- 1) The season dates will coincide with the FCSC Youth season schedule.
- 2) Rain dates will be scheduled if needed and will coincide with the FCSC Youth schedule.

Players and Rosters

- 1) Players must be at least 18 years of age to participate (FSL commissioner may grant exceptions to this rule based on ability). Teams may have no more than three players ages 20 to 24 on their roster; each of these players is referred to as a “waiver” player. All conventional non-waiver players must be, at least, 25 years of age as of the first scheduled game of the season.
- 2) Roster size will be a maximum of 15. Rosters are “locked” after the 5th week of play. After the 5th week of play, Additions/Deletions are allowed only by permission of the FSL Commissioner.
- 3) A player may only play for one FSL team, unless granted an exception by the FSL Commissioner.
- 4) Only players listed on the official roster may participate in league play.
- 5) Guest players are not permitted unless both waived and authorized by the league.
- 6) All FCSC adult league players should bring photo identification (such as a driver's license) to every game.
- 7) Managers may be required to present an official printed roster to the referee prior to a game.
- 8) No carded travel player or professional players will be allowed on the rosters.

Teams

- 1) Individual players will be assigned to a team by the FCSC registrar based on recommendation by the FSL Commissioner.
- 2) Managers are strongly encouraged to form their own team. However, each player must register to play in the FSL.
- 3) Practices are optional and left up to the discretion of each team. Practice nights and locations can be coordinated through the FCSC field coordinator. If a conflict arises over limited field locations and times, FCSC youth team practices will take priority over adult team practice requests.

Games

- 1) Game format is 8v8 (includes goal keeper). However, if a team can only field 6 or 7 players, the format will automatically be set to 7v7.
- 2) Games will last 75 minutes (two 35 minute halves with a five minute half-time). No overtime in regular season games.

- a) Unlimited substitutions are allowed on all goal kicks, after a goal is scored and on throw-ins when the substituting team is in possession and throw-ins when the opposing team is in possession or other stoppages of play when in the discretion of the referee it does not interfere with the flow of the game.
 - b) During times of extreme heat, substitution rules may be relaxed at the discretion of the referee.
 - c) A substitution may also be made after an injury when the referee stops play. The opposing team is also offered the chance to substitute one player.
- 7) No protests. All games are final.
 - 8) Forfeits – Teams must be ready to play the game within 15 minutes of the scheduled time. A team must have 6 players available to start a game. Teams that do not show, or do not have 6 players after the 15 minute grace period, will be forced to forfeit. The score will be posted as 2-0 win in favour of the team that fielded a squad of at least six players. A team that forfeits two games in one season will not be eligible to qualify for the playoffs, and may not be eligible to participate in the next season. A \$50 fee will be charged against the team that forfeits for each forfeit.

League Standings

- 1) 3 points for win, 1 for tie, 0 for loss.

Any incidents are subject to the FCSC disciplinary committee's review.
- 3) If the assigned referee fails to appear within ten (10) minutes after the scheduled start time, teams may designate a substitute referee by mutual agreement.
